MEMORANDUM FOR: Deputy Director for Administration

FROM: Henry P. Mahoney
Director of Logistics

SUBJECT: Excellence in the Office of Logistics

1. As an Agency manager, I applaud the Director's continued efforts in challenging the totality of our personnel resources to meet the goals and objectives of the excellence program. During his 13 June presentation, I was particularly interested in his references to the successes [redacted] While I know you are aware of the critical role played by the Office of Logistics (OL) in that program, I am nevertheless submitting a summary of our efforts which you may wish to provide to the Director for inclusion in his next excellence presentation.

25X1

- From inception through FY-85, the program Logistics system will have procured and shipped [redacted] of equipment [redacted]

SUBJECT: Excellence in the Office of Logistics

- OL participated heavily in the supervision of packaging, sterilization and inspection of all program source materiel.

- [REDACTED]

- OL played the major role in the development of the current transportation channels for moving materiel from a variety of suppliers [REDACTED]

- [REDACTED]

- In addition, OL was involved in the:

- [REDACTED]

- Printing of substantial quantities of analytical publications, maps, posters, pamphlets, and photographs.

2. Reflecting on the magnitude and diversity of OL's participation [REDACTED] the past levels of program accomplishments could not have been achieved without the expertise, ingenuity, resourcefulness, and just plain hard work exhibited by many individuals within OL. Here is an example of excellence in the classic sense exhibited by an entire Office within the DDA.
